

PROGRESSIVE WASTE SOLUTIONS' 2013 HOLIDAY SCHEDULE Travis County WCID17

- Progressive Waste Solutions currently recognizes New Year's Day, Thanksgiving Day, and Christmas Day as holidays.
- When regular collection day is prior to a holiday, the solid waste will be collected as scheduled on the regular collection day prior to the holiday
- When a regular collection day falls on a holiday, during the business week, then the collection will be moved back to the next day. (i.e. if regular collection day falls on Thursday & Thursday is a holiday, collection will be on Friday. If regular collection was on Friday of that week, collection will be on Saturday)
- Holiday schedules are subject to approval by the District. Observance of holidays will not prevent Progressive Waste Solutions from maintaining weekly schedules.
- Alternative schedules will be formulated and communicated in advance to the District.
- In all cases, two weeks prior to any holiday, approved holiday schedules along with procedures for missed holiday pick-ups will be published in the local newsletter and/or the District's webpage prior to the holiday observance.
