

## PRESIDENT

### Jeff Roberts

A resident of Travis County for 32 years, Mr. Roberts has been a property owner in the District since 1983. He has watched the Lake Travis area grow significantly both economically and in population and is concerned about our water management and its impact on the economic development and quality of life in Central Texas. He has a master's degree in finance, and has published articles on public policy. Mr. Roberts is currently a manager of a global business development team at IBM and has served this technology company for 34 years focusing on finance, business practices, negotiation, and contracts. Mr. Roberts has served on the WCID 17 Board since 2004 and is presently serving as its President.
