

VICE PRESIDENT

Mickey Decker

Ms. Decker has been an entrepreneur for the past 30 years owning and operating several companies to include a highly successful real estate company in the Lake Travis South area. She is an active member of the local Chamber of Commerce and has been for over 25 years. Currently, Ms. Decker is President-CEO of M-J Green Fuels International; manufacturing and marketing products both domestically and internationally. She is also Executive Vice President-CFOO of Honduras-Tejas Oil & Gas Co., Inc., and Oil and Gas Venture Group in Texas and Honduras. Ms. Decker is a former WCID17 Board Member, from 2000 to 2008, and has served from 2010; presently serving as Vice President.
