Dear Valued Customer,

We are proud to inform you that WCID No. 17 is moving to a new billing system. Our new system, 'Starnik', is a web based platform that will allow you to view your complete account history through our interactive customer portal. You will be able to access your transaction history, consumption history, contact the District, view electronic images of your bill or arrange to make an online payment. You'll even be able to set up easy recurring credit card payments. **Your March billing statement will have a new appearance and will contain the security code you will need to establish your new online account.** Online access will begin April 1, 2019.

Customers who have a recurring payment with our previous system will need to establish a new recurring payment under the Starnik system. Those wishing to make a one-time online payment or view their account data will also need to establish access through the Starnik system. Beginning April 1, 2019 you will be able to access the online portal by following the instructions provided on the enclosed flier. You will also be able to review the same instructions online on our web page [www.wcid17.org](http://www.wcid17.org) . Just click on the announcement banner and follow the link provided. Again, our transition to this new system will be effective April 1, 2019.

If you have any questions, please contact us by email at [support@wcid17.org](mailto:support@wcid17.org) or give us a call at 512-266-1111 ext. 118 or 122, from 8 a.m. to 5 p.m. Monday through Friday.
