SEPTIC TANK PERMITTING AND INSPECTION INFORMATION

Water District 17 will discontinue water service to any property which has been shown to have a serious problem with the septic system or has no permitted septic system.

The Travis County Health Department is no longer responsible for permitting and inspection of septic systems. They do have some TNR people working there, but they are primarily environmental.

To determine which entity to contact for septic permitting and inspection:

LCRA:

1. Properties located in the City of Lakeway
2. Properties outside of the city limits of Lakeway but within 2000 feet of Lake Travis (691 Elevation)

Website: www.lcra.org/ossf or Call 512-473-3200 to find out if property is in LCRA jurisdiction

CITY OF AUSTIN:

Properties in the city limits (not ETJ) of Austin are permitted by the City of Austin

Website: www.austintexas.gov/ossf or Call 512-972-0050 for inquiries

TRAVIS COUNTY TRANSPORTATION AND NATURAL RESOURCES DEPT. (TNR):

All unincorporated properties of Travis County not falling within the guidelines listed above for septic permit or to report problems with septic or lack of septic system.

Website: www.traviscountytx.gov/tnr/permits/septic

General Questions: (512) 854-4215
